

*Oyez! Oyez! Oyez!*

*To all good people gathered here in the Village of Caledon, I bring you greetings from Her Worship Marolyn Morrison, Mayor of the Town of Caledon, in the Region of Peel.*

*Firstly, I wish to convey her congratulations to new business owner, Nancy Urekar, on this, the occasion of the grand opening of CHIC à BOOM, Caledon's exciting new Consignment Furniture, Fashion, and Décor boutique. May you prosper and thrive in this community.*

*Secondly, to all the potential consignors, here at last is an opportunity for you to find happy homes for your previously loved fashion, furniture, and finery, without giving it away, throwing it away, or showing it to strangers. Know ye that CHIC à BOOM accepts upscale, clean, modern goods, and, when it is sold, provides you with upscale, clean, modern cash.*

*Thirdly, and most specifically to the many honoured guests and patrons gathered here today, CHIC à BOOM provides you, the customer, with a fun and exciting way to discover treasures at reasonable prices in classy and spacious surroundings.*

*Yea, let it be known that CHIC à BOOM is the ultimate environmental boutique: Reduce the cost, Re-use the goods, Recycle the cash.*

*And so it is with great pleasure that I present to you a special guest who has been given the honour of cutting the ribbon for the grand opening, Sylvia Jones, MPP for Dufferin-Caledon.*

*Welcome! Enjoy! and God Save the Queen!*
